FIRST SCHEDULE – SERVICE LEVELS

The Service Fees are reviewable from time to time by the Operator after first consulting the Statutory Supervisor and the Residents in respect of that part of the Service Fee relating to the Village Outgoings Charge, and the Residents in respect of that part of the Service Fee relating to the Service Charge.

Residents living in a Unit shall pay their own telephone charges, electricity, home contents insurance premium, and for the maintenance of the interior of the Unit.

In addition, Residents living in a Unit shall pay on a "user pay" basis for additional services a Resident may require from time to time, such as midday meals, doctors' visits, pharmaceutical and podiatrist charges, external nursing care, hairdressing and physiotherapy, etc. The Operator will negotiate such services with a view to obtaining the best value at reasonable cost. Such payment for additional services shall be in consideration of the supply of goods and services to which they relate.

The Operator shall stop charging the Resident the Service Charge for personal services on the date that the Resident stops living in the Unit.

The Resident's liability to pay the Village Outgoings Charge and any other charges payable under this Occupation Right Agreement for a Unit shall continue until the date on which a new Occupation Right Agreement for the Unit is entered into as per clause 17 provided however that if such date is not within either:

- (a) 6 months of the date of termination; or
- (b) any later date the Resident stops living in the Unit;

the Operator shall from that date reduce such charges by 50%.

The Resident's liability to pay the Village Outgoings Charge for a Rest Home Apartment shall continue until vacant possession of the Rest Home Apartment is given, and the Operator is able to use the Rest Home Apartment until a new Occupation Right Agreement is granted for that Rest Home Apartment.

The Resident of a Rest Home Apartment is required to receive and pay for full rest home care (whether private or subsidised). The Operator will pay the Weekly Rebate (if any) as defined in clause 1.3 to the Resident at the same time as payment to the Resident of the Capital Repayment Entitlement.
